Homegrown is a crew of professional musicians that show the ultimate respect to the greatest Southern & Classic Rock/ Soul/ R&B & Country artists of our time.

Jeff Bailey is a versatile singer songwriter with influences like Tom Petty & Bob Seger. His high energy, talent and story-telling ability have made him a Chattanooga favorite. Jeff brings his group of friends to the stage to play hits from The Beatles to ZZ Top including Southern Rock, Classics, R&B, Soul, Country and much more of your favorites.....with a very unique Homegrown style.

Homegrown is made up of Evan Kennedy on guitar & vocals, Tim Starnes on lap steel, Harmonica, fiddle and backing vocals, David Ingle on keys & vocals, and Gene Ingram on percussion. This serious lineup of professional musicians will entertain you and keep you captivated for the entire performance.

What they are saying:

“Incredible show! Sometimes the chemistry is just perfect, and on this night it truly was. The musicianship, tight harmonies, song selection, and execution were phenomenal! Thanks for a magical evening, we will see you again!”
—Eddie & Amanda C.

“They are master at what they do! The voices, the music, the harmonies, are all perfect...We had the best time ever, being transported back in time to witness the bands we only wished we could have seen. The entire house was in awe!” —Paula & Dave M.

“We drove to Chattanooga from Nashville just to catch Jeff & Homegrown. It was incredible. The energy produced by these musicians, the exquisite handling of all harmonies and instrumentation, the mix of The Beatles and other 60's, 70's, 80's and current music, and the hilarious on-stage banter between performers is phenomenal. Thanks for playing your hearts out. We enjoyed every second of it.” —Eron & Alanna K.
